MEMORANDUM

TO: S/S - Mr. Tarnoff

FROM: OES - Thomas R. Pickering

SUBJECT: Issues for Transition Papers

There follows the OES list of Issues for Transition Papers, requested in your 7 November 1980 memorandum.

1. US-Mexico Boundary Treaty Ratification.

2. US-Mexico Negotiation on Tuna Management.

3. Next Steps on US-Canada East Coast Maritime Boundary and Fishing Agreements.

4. Review of Suspension of Soviet Fishery Allocation.

5. US-PRC Scientific and Technical Exchanges Agreement. (High level review meeting scheduled for Spring 1981.)

6. US-Israel and US-Egypt Scientific and Technical Cooperation. (The Israelis will be looking to the new Administration for $20 million additional funding for the Binational Science Foundation.)

7. Global 2000 Follow-Up.

8. Export of Hazardous Wastes. (The control of the export of wastes defined as hazardous under the Resource Conservation and Recovery Act.)

9. Export of Hazardous Substances. (Controls on exports of substances banned or severely restricted in the U.S., using the Export Administration Act.)

10. Designation of Globally-Significant Resources. (Establishing criteria for the designation by the President of "resources of global significance" as provided for in Executive Order 12114.)
